"STRIVING TO BECOME THE DESTINATION DISTRICT OF THE THUMB"

September 14, 2021

We were notified yesterday that we now have three students and one staff member in our district that have tested positive for COVID-19 recently. Fortunately, the students and staff member were not in school with symptoms and no other people were exposed during our school day.

We ask that all parents check students for symptoms daily prior to sending them to school. Any student or staff member exhibiting symptoms of COVID-19 should stay home. COVID-19 symptoms include fever, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.

Sincerely,

Barry Markwart
