"STRIVING TO BECOME THE DESTINATION DISTRICT OF THE THUMB"

Mayville Community Schools- Before and After School Care and Tutoring-Grades K-5

Mayville Community Schools has developed the following plan for students in grades K-5 to provide before and after school care and tutoring services to those students in need.

Mayville Community Schools Plan of Action: Mayville Elementary School will offer before and After school tutoring for students in grades K-5 to address any learning gaps in the area of both Reading and Math.

- Who may attend? Any K-5 student who is in need of morning or evening care and tutoring.
- What is the cost to attend? There is NO COST for the parents. This is a FREE service offered to the students of Mayville Community Schools.
- MORNING-*Times and Days of service? Monday-Friday 6:00-7:35 a.m. Students must be dropped off between 6:00-7:00 a.m. When the session is over, students will be directed to the cafeteria for FREE breakfast. School begins at 8:00 a.m.*
- EVENING-*Times and Days of service? Monday-Friday 3:00-4:30 p.m.*
- What will students learn? Each student will have an individual plan developed by the instructor of record. The students will be instructed in fun Reading and Math Skills in order to close reading and numeracy deficiencies the students may currently exhibit. Additionally, K-2 students on certain days will be involved in the STEAM program.
- How will students be measured for success? All students will be progress monitored using Reading and Math throughout the time they are attending the program. Students will demonstrate success by increasing their scores on these progress monitoring assessments.
- Will parents be notified of progress? Yes, parents will be notified of progress that their child achieves through tutoring if requested, but there will not be a formal letter sent home pertaining to tutoring success alone. Report cards, progress reports, and other communications from the regular classroom teacher will demonstrate the success of tutoring.

Registration Process: Any parent who wishes their child to attend the before school care and tutoring sessions offered by Mayville Community Schools must complete an ONLINE REGISTRATION form found on the schools website under Parent Resources. The school will notify each participant as to the dates they may begin attending tutoring.

Note- Students can be removed from the program at any time if disciplinary actions are taken by Administration.

- Again, this service is offered FREE for all students in the Mayville Community Schools District..

Sincerely, Darren Masterson-Elementary Principal- 989-843-6115 ext 35102
