

2023 Sugden Trust Scholarship Application

This scholarship was created to honor the wishes of Noel Sugden who created this gift in memory of his late wife, Bernice. The purpose was to award scholarships to graduates of Mayville High School who aspire to obtain a four year college degree. The past few years the committee has included community colleges.

The committee needs to know if you are attending a 4 year University or 2 year Community

College for determination of the amount of money awarded.

If your school choice changes at enrollment time, a lesser amount can be awarded.

Decisions on the recipients will be based on:

1. Character
2. Scholastic Merit
3. Financial Need

This scholarship will be for Full-Time (12 credits or more) students. Scholarship winners will be awarded half of the money after successfully completing (passing grades) the first semester of classes and the second half of the award when the second semester of classes are successfully completed (passing grades).

Scholarship checks will be made out to the college or university to which the student is attending.

Please fill out the application attached to this page and return to the High School Office by April 3, 2023
